OVERVIEW OF EFSP

The Emergency Food and Shelter Program (EFSP) was established to supplement and expand the ongoing work of local social service organizations both nonprofit and governmental, to provide shelter, food and supportive services to individuals and families who are, or who are at risk of becoming, homeless or hungry.

- Local Recipient Organizations (LROs) must provide services within the intent of the program. Funds are to be used on an ongoing basis to supplement and extend food and shelter services, not as a substitute for other program funds or to start new programs.
- No individual, family or household may be charged a fee for service or be required to attend religion/counseling services with relation to assistance received under EFSP.
- Special emphasis must be placed on identification of and assistance to the elderly, families with children, Native Americans, veterans, and the mentally and physically disabled.
- Verification of proof of citizenship or qualified alien status of any applicant is not required.
- Funds can only be used for permanent residents and transients within the Ellis County jurisdiction. • Non-supplanting requirement: Grant funds will not replace (supplant) funds that have been budgeted for the same purpose through non-Federal sources.

EFSP is governed by a National Board that selects jurisdictions for funding. United Way of West Ellis County administers the EFSP Local Board #803400 for the Ellis County jurisdiction. The role of the Local Board is to determine the highest need and best use of funds and to select LROs that will provide emergency food and shelter services. Each year, needs must be assessed to respond to changes in the community.

Emergency Food and Shelter Program (EFSP) is a restricted federal grant awarded through the Department of Homeland Security. All federal grants have terms and conditions that apply to all parties participating in the grant. All Local Recipient Organizations (LROs) are considered Sub-Recipients (Catalog of Federal Domestic Assistance (CFDA No. 97.024)

EMERGENCY FOOD & SHELTER PROGRAM

PHASE 41 FUNDING APPLICATION

Applications are due on Friday, April 12, 2024 at 11:59 p.m. CDT

All applications must be submitted via email to jmcnulty@uwwec.org

Faxed, mailed, late, or otherwise incomplete applications will not be accepted for consideration.

The intent of this program is for the purchase of food and shelter, to supplement and expand current available resources, and not to substitute or reimburse ongoing programs and services or to start new programs. Consequently, the Local Board will only consider fully operational agencies to receive funds to supplement and expand eligible on-going services and will not fund agencies in anticipation of a needed service (i.e., fire victims, floods, tornadoes, etc.) nor for singular or special celebratory/holiday baskets, etc. The Local Emergency Food and Shelter Program (EFSP) Board will not consider applications for funding due to budget shortfalls or reductions in other funding sources.

United Way of West Ellis County will coordinate with the Local EFSP Board to manage the process for reviewing and scoring applications. This is a competitive process with limited funding available, and submission of an application does not guarantee funding. The Local EFSP Board reserves the right to award partial or full funding requests. Applicants will receive funding notification by April 24, 2024.

The minimum funding amount is \$1,000. Applicants may apply for funds in the following categories:

- A. Served Meals - This category pertains to basic, nutritional, hot, or cold prepared meals that are served by the Local Recipient Organization (LRO) or delivered to clients. Food costs for meals served in a shelter should be included here. The per meal rate of \$3.00 may be used for agencies serving congregate meals.
- B. Other Food - This category includes food vouchers for food orders, food boxes, or food purchased by food banks/pantries.
- C. Mass Shelter (on-site) - This category pertains to funds to provide shelter within the LRO's own facility. Food served in a shelter is not included here. LROs may use a per diem rate of \$12.50 for housing clients in their facility.
- D. Other Shelter – This category pertains to funds to provide any reasonable hotel/motel or non-profit acting as a vendor; actual charge by vendor, per night; 90-day limit.
- E. Supplies/Equipment – This category pertains to Mass Feeding: pots, pans, toasters, blenders, microwave, utensils, paper products, any item essential to the preparation of food, shelving. Diapers; Mass Shelter: cots, blankets, pillows, toilet paper, soap, toothpaste, toothbrushes, cleaning materials, limited first-aid supplies, underwear/diapers.
